Please refer to EA's Club Structures guide for more details.

3. Objects²

The objects of the Club (Objects) are for the public benefit, but with particular reference to the inhabitants of Dorchester and its surrounding areas:

4. Ethos

- 4.1 The Club is committed to ensuring that equity is incorporated across all aspects of its operations, activities and development. In doing so, the Club acknowledges and adopts the following Sport England definition of sports equity:

'Sports equity is about fairness in sport, equality of access, recognising inequalities and taking steps to address them. It is about changing the culture and structure of sport to ensure it becomes equally accessible to everyone in society.'
- 4.2 The Club respects the rights, dignity and worth of every person and shall treat everyone equally within the context of their sport, regardless of age, ability, gender, race, ethnicity, religious belief, sexuality or social/economic status.

² The objects of the club are the purpose of the club i.e. what it is set up to do and where (geographical location).

³ These objects are charitable in nature, as the majority of clubs are set up to benefit the community and drive participation in community sports. These may be amended to reflect your club's activities, however if the management committee decide to register for charitable status with the Charity Commission, any adopted wording will need to be reviewed prior to submission.

⁴ England Athletics have developed a step by step discipline and appeals process for affiliated clubs to adopt that offers them a clear, user friendly process to follow whilst dealing with misconduct complaints within the club environment. This can be found [here](#) and we recommend formally adopting this process.
